Move ups Will be allowed. This means that if you finish a title, you can move to the next level class (if you choose to do so) if you are entered for another run in that class. Let the trial secretary know as soon as possible if you want to move up. If your dog earns their title (300 cumulative points) in trial 1, you can move up a level for trial 2. If your dog earns their title in trial 2 on day 1, you can compete in the next level on day 2 of the event.

Collars- Dogs may come to the ring on a martingale, slip lead (including leash/collar combos) and/or a flat buckle collar. Happy Ratter rules prohibit prong, electronic, and choke collars in the waiting area and on the way to the ring. When searching, the dog may either run 'naked', or wear a flat buckle collar. All dogs must be leashed when not in the ring or a secured crate. **We do not allow electronic collars on the grounds at any time.**

Crating Please bring your own shade and crate or safe containment for your dog (Ex-pens not recommended but allowed if you're sure your dog won't escape). You may also crate out of your car as long as you have means to keep the dog at a safe temperature.

Parking Ample parking area, but it is not shaded all morning.

Heat mitigation: We recommend battery powered fans, aluminet shade cloths that cover your vehicle and/or a pop-up tent to provide shade for you and your dog. There will be a hose and kiddie pool you can use to cool off your dog. Please be sure your dog is not dripping wet when entering the indoor ring. There is no A/C available, sorry. Building and tent are shade temperature.

Volunteers will help our Trial run smoothly. We need Timers, Gate Stewards, Score Runners, and others. No Experience Required! Thanks in advance for your help. If you are a member of Cassatt Scent Sports Club, this event qualifies for worker bucks and member volunteer hours.

Food Lunch will be provided for a donation. Or you can bring your own food and snacks. Nearest restaurants are in Cassatt (Rt 1 café) and Camden (several).

Facility, Bathrooms and Water- NOT climate controlled, hose water and porta-potty available.

Accessibility Handicapped parking can be designated if needed. Please let the trial secretary know in advance. Surface is packed sand with minimal vegetation in the tent and interlocking foam mats in the building. Tent is accessible. Building is accessible for 4 wheel aids.

Dogs In Need of Space The site has plenty of parking and places to walk dogs at a distance of 10 feet or more. Aggression (attempting to bite another dog/person) is not allowed.
